

TEYS CERTIFIED PREMIUM BLACK ANGUS™

Teys Certified Premium Black Angus has a proven reputation for excellence by combining the superior eating quality of the Angus breed and science of the Meat Standards Australia (MSA) grading system to guarantee an outstanding eating experience every time. The Teys Certified Premium Black Angus range is available in both Grainfed and Grassfed with identical eating quality promises.

OUR QUALITY GUARANTEE

Teys Australia has an unrivalled reputation for delivering beef with a consistent eating quality. Since 1946, we have been building a reputation as the leading provider of red meat supply chain and meal solutions. We are proud to have the Teys Certified Premium Black Angus range in our portfolio of consumer brands. Underpinned by the Meat Standards Australia (MSA) grading system, an independent eating quality assurance program, that guarantees our Teys Certified Premium Black Angus beef will deliver an exceptional eating experience every time.

ANIMAL WELFARE

The Livestock Welfare Certified System logo represents that our livestock processing establishments operate to an independently certified animal welfare system that ensures livestock under our control, from receipt to humane processing, are managed in accordance with best practice animal welfare standards.
