

# Teys Documentation Checklist

## **All cattle:**

- National Livestock Vendor Declaration version *C0413* (ensure correct PIC)
- Teys Australia Livestock Contract  
(must be returned within 12 hours of receiving, check all details are correct as well as signed and dated)

*And any of these if applicable:*

## **MSA :**

- MSA Declaration (check registration number correlates to the PIC)

## **EU:**

- MSA Declaration
- Make sure your NVD is the EU Vendor Declaration, version *E0413*

## **Grasslands:**

- MSA Declaration
- Grasslands Vendor Declaration  
(regardless of eligibility status ie. For all loads off of an accredited Grasslands property)

## **Angus:**

- MSA Declaration
- Angus Vendor Declaration

## **Organic:**

- USDA & Australian Organic Certificates
- Organic Transportation Documentation

**\*\*\*Make sure you keep a copy of all documentation on file at home\*\*\***

# Things to Remember

## NVD's:

*NVD's are a legal document. Take time and care when completing.*

- Owner name - must match the account name you want the cattle paid to
- Addresses – must be full address including state
- Description – *sex, breed and brand/earmark* for each & every line
- Numbers – ensure it all adds up and the number of NLIS tags are completed
- Questions – answer all questions
- Declaration – sign, date and phone number
- **Corrections/changes – make sure all changes no matter how small are signed**

*\*\*\*Only the person in charge of the husbandry of the cattle may complete a NVD\*\*\**

**Cattle will not be processed if documentation is incorrect**

## All documentation:

- Make sure the numbers etc across all documentation are correct and match
- Complete every field and question on each document
- Ensure each document is signed and dated
- Keep a copy of all documentation at home on file in the case of an audit
